Dear Councilmember Pine,
Thanks for soliciting opinions from the electorate.

On the issue of advertising on buses, I see no problem with this. As your article points out, there is already advertising on commercial buses, having it on The Bus doesn't seem to have much negative aesthetic impact. I'm not sure if it would interfere with 1st Amendment rights, but if advertising is allowed, I would prefer it to be "Hawaiian kine", which would add to the uniqueness of the island flavor that so many visitors are looking for.
